Venus, don't do this

by MiaQc

Summary

A short and tragic story featuring an evil Sailor Venus.

- A translation of Venus, ne fais pas ça by MiaQc

“Venus!” said Sailor Moon, who was bound by her chains of light. “I beg you. Don't do this.”

Sailor Venus, whose body is surrounded by darkness, smiles mischievously at Sailor Moon.

“The silver crystal brings only suffering and false peace! The world will be much better off without it!”

The evil Sailor Guardian shoots a black light beam at Sailor Moon. The beam pierces her chest and exits through her back. Sailor Moon's eyes widen and she spits blood.

Sailor Mercury, Mars and Jupiter, who are also paralyzed by Venus' chains, scream the name of the Moon Guardian. The silver crystal comes out of Sailor Moon's body. It shatters into pieces. Sailor Moon falls down dead. Sailor Venus laughs.

“You will suffer the same fate,” she said. “Mercury! Mars! Jupiter!”

“WHY?” Sailor Jupiter screams angrily.

“MINAKOOOO!” Sailor Mars yells, enraged.

“What dark force has transformed you like this?” asks Sailor Mercury, tears streaming down her face.

“None, because I have accepted darkness!” Her uniform transforms. It is now black and dark purple. Her skirt and sailor collar are glittering. “I am now *Sailor Venus Noir*, the Guardian of Hatred and Sorrow!”

In an attack with multiple black rays, Sailor Venus Noir kills her former friends. Her next target will be the Outer Guardians then the world will kneel at her feet.
